----> DESIGN <----

Size (in stitches): 131w x 166h

Design for (suggestions only): 18 ct grey or neutral-colored Aida

Thread type: DMC

Number of thread colors: 19

----> FINISHED PIECE <----

14ct Aida: 9.4" x 11.9" (23.8cm x 30.1cm)

18ct Aida: 7.3" x 9.2" (18.5cm x 23.4cm)

Sizes are approximations. This was designed to fit in an 8" x 10" frame when stitched on 18 ct Aida. Be sure to leave enough fabric when cutting for framing & stitching.

I stitched this piece using confederate grey Aida purchased on 123stitch.com, which you can purchase here: <http://www.123stitch.com/item/Zweigart-18-Count-Confederate-Grey-Aida-Fabric-10x18/123-7511Y>
